

Join us for a free community wildfire safety forum

You're invited to find out how we're increasing safety and reliability in your community during wildfire season and year-round. Plus, enjoy a free meal.

Attend this free event to:

- Hear how we're adapting to this new era of extreme weather from experts in meteorology, wildfire mitigation and emergency management.
- Find out how we use advanced forecasting to put us ahead of the weather and hear about our ongoing work to strengthen the electrical grid.
- Learn how Public Safety Power Shutoffs, enhanced safety settings and proactive de-energization work.
- Get answers to your wildfire questions during a Q&A session with our experts.
- Enjoy a casual dinner.

Come join us in person

When: Wednesday, June 12, 5:30 p.m. to 7:30 p.m.

Where: Fort George Brewery - Lovell Showroom
1483 Duane Street, Astoria, OR 97103

We will have Spanish and American Sign Language interpreting services available.
