

**OUR LADY OF THE
BLESSED SACRAMENT**
PARISH

Promoting a **culture of life** that honors God's creation from conception until natural death is part of our Catholic identity. Over the next several weeks, as we celebrate the month of Mary and mothers, and into June where we honor fathers, our OLBS Respect Life Ministry will be highlighting agencies that help promote this culture. Stay tuned for opportunities to participate in bringing the preciousness of life into the collective consciousness as we celebrate **A Season for Life**.

Throughout A Season for Life, please look for collection bins and wish lists in our vestibules. We will be collecting items to support partner agencies, as well as ministries right here at Our Lady of the Blessed Sacrament, working to promote a culture that respects and protects life from conception until natural death.

Scan codes on reverse side to learn more about A Season for Life and our partner agencies.

At the heart of our mission is **Our Lady of the Blessed Sacrament Parish's Respect Life Ministry**, committed to fostering a culture that reveres God's creation of life. Through partnerships with various agencies such as Catholic Charities of the Archdiocese of Chicago, TLC Pregnancy Services, The Women's Center of Greater Chicagoland, Project Rachel, Illinois Right to Life/Project Love, Journeys the Road Home, and Aid for Women, we stand united in support of children, mothers and families.

Together, let us build a community where love, compassion and support for those in need abounds. Let's cherish the gift of life and strive to make a difference in our world.

Join us in **A Season for Life!**
