God Created Mothers

God knew that little ones need love
so He created mothers
With understanding hearts and
gentle hands that care for others...

They feed us and they hug us
and they help us find our things...
Then later on, they step aside
and let us try our wings...

We know they're always on our side
whatever may befall,
That's why we need them just as much
when we're no longer small...

Yes, God created mothers
to give love their whole lives through...
That's why they're treasured very much
especially one like you!
