

Dear OLBS Family,

As we continue as Companions on the Journey during Lent and Easter, please consider volunteering to assist our greeters/ushers during Holy Week and Triduum. We are looking for those who are warm-hearted, friendly, and willing to give an hour or so of their time. Our greatest need will be on Sunday of the Resurrention of Our Lord, April 5th, at all Masses.

A greeter/usher is the first person a parishioner, visitor, or guest encounters when they arrive to a liturgy or celebration. We need greeters at the entrances welcoming guests with a smile, distributing bulletins, and assisting with any questions.

We need ushers to help people find a seat, pass offertory baskets, and assist with the flow during liturgies and events.

While serving as a greeter/usher, you may still participate in the celebration of Mass or the event.

If you are available/interested to assist, please scan the code to signup using our digital form, or if you prefer, contact Tom Tallman at tallman_tom@yahoo.com to indicate which liturgy you would like to help at.
