Welcome to Hot Lunch Online!

QR'S FUN LUNCH Program for 2021-2022

We are very excited to welcome you to our School Lunch program! In an attempt to make the ordering process easier for all of us, we have decided to create an online ordering platform, Hot Lunch Online (HLO). Although your school will not be using a school debit card, the program will still allow you to place orders and generates invoices for the entire school year!

Before you can get started, we will need to create an account, which we create using your email account: <https://Buona.h1.hotlunchonline.net>

Let's break it down:

1. **Home:** Once your account has been created, you will be welcomed on the home page, which provides news, a walk-through and tutorials.
