

## TOTUS TUUS 2024 MISSIONARIES

# Team 2: Mary, Queen of Peace

Left to right:

### Jonathan Jensen

Hi, I'm Jonathan Jensen, and I'm a Seminarian from the Diocese of Grand Rapids in Michigan. I am currently studying Philosophy at the University of St. Thomas in Minnesota. I enjoy reading, fishing, hiking, and I consider myself a connoisseur of fine teas. I love the way our Catholic faith gives us the Eucharist as the meeting point between God and man, and allows us an unrivaled access to God.

### Kathryn McGovern

My name is Kathryn McGovern and I just finished my sophomore year at Creighton where I'm studying theology and justice and peace studies. I am so excited to be doing Totus Tuus for another summer! I grew up attending St. Matthias School and Church in Lincoln Square and knew I wanted to be a Totus Tuus Missionary after participating in it my freshman year of high school. I love being able to share my Catholic faith and love of Jesus with others and getting to know the amazing children and families of the Chicago archdiocese. In addition to being a missionary, I love being outside, going on hikes, listening to music (a huge Swiftie!), and spending time with my family and friends!

### Marianna Maslanka

I'm Marianna, and I'm from Mount Prospect, IL. I'm a senior elementary education major at Benedictine College, Atchison, KS. This will be my second summer as a Totus Tuus missionary, and I am so excited to be back! I love how Totus Tuus shows the beauty of our Catholic faith and how much Jesus loves all of us!

### Gregory Wilk

My name is Greg and I am a seminarian (studying to be a priest)! Before seminary, I worked as a mechanical engineer researching solar power. I enjoy camping, biking, running, karaoke, and Settlers of Catan. My favorite Gospel is Mark because the events flow like an adventure as Jesus and his team begin the new Kingdom of God. God speaks uniquely to children through their powerful imagination. Our God is largely hidden so learning about Jesus as a child is an essential opportunity for a strong faith life. God wants each of us to have life in abundance and Totus Tuus brings that for kids with fun skits and creative content.
