

# Let's Remember Adam

**STOP FOR THE SCHOOL BUS**

Good Day,

We are pleased to announce the **7th Annual Let's Remember Adam Charity Texas Washer Tournament & Prize Lot Raffle**, taking place on **Saturday, June 13, 2026**, at the Mike Rodden Arena in Mattawa, Ontario.

The *Let's Remember Adam* campaign is a school bus safety initiative created following the tragic loss of Adam Ranger, who was struck and killed while crossing the road after exiting his school bus. Despite the bus having its stop arm extended and red lights flashing, the driver responsible failed to stop. This devastating event, witnessed by a family member and many other children still on the school bus, led to the creation of our campaign in 2004.

Since then, we have worked tirelessly to improve school bus safety across Ontario. Our efforts contributed to the implementation of the Amber-Red Eight Lamp Safety System on all Ontario school buses by September 2022. We continue to advocate for Stop Arm Camera Systems and stronger enforcement laws, while educating the public on the importance of stopping for school buses. But people still don't stop!

To support these initiatives—including billboards, arena advertising, bumper decals, community outreach, and social media awareness—we rely on fundraising and the generous support of community partners and businesses like yours.

We are reaching out to ask if you would consider supporting this year's event through a **monetary donation or a prize donation** for our Prize Lot Raffle. This raffle has been a major highlight of the event in previous years and is open to both participants and the public, drawing strong community engagement.

In appreciation of your support, your business name and/or logo will be proudly displayed at the event and featured on our social media platforms. We would also be happy to display any banners or promotional materials you wish to provide.
