“PTTAC’s strength lies in the collaboration of our members and industry partners. Our incoming Executive and Board of Directors bring valuable experience and a shared vision for advancing professional truck driver training across Canada. I look forward to working together to address industry challenges and create meaningful progress for our members and the industry as a whole.”
— Don MacDonald, Chairperson, PTTAC

-30-

Founded in December of 2023, the Professional Truck Training Alliance of Canada (PTTAC) has gained tremendous support nationally with industry and government.
The Professional Truck Training Alliance of Canada (PTTAC) is the only national group in Canada that represents commercial truck driver training businesses and will drive progress in education, training, and road safety through expertise and influence.
