

OPTIONAL - Round Trip Luxury Motorcoach Transportation - from Des Moines, IA or Peoria, IL

For the first time in our history, we are excited to offer our group an exclusive travel option to the National Conference by partnering with CIT Signature Transportation. Travel in care-free comfort with fellow conference attendees, from either Des Moines, Iowa or Peoria, IL.

The 50-60 passenger motorcoach will depart from the CIT terminal **Des Moines, IA on Tuesday, October 10, 2023**, around 8AM, stopping in Peoria, IL to pick up fellow conference attendees. We'll then continue arriving in at the hotel in Erlanger, Kentucky around 7pm. During the conference, the Charter bus will provide your transportation to and from the hotel to the Creation Museum and Ark Encounter attractions. **On Friday, October 13th**, we return by the same route we travelled, leaving Kentucky by 11:30am and arriving in Des Moines shortly after 10pm. All times are approximate and will be finalized closer to the travel day. This transportation option is subject to availability and sign-up interest. We must have a minimum total of 45 guests to realize this opportunity. **Sign up deadline – August 1, 2023. Select and pay when you register for the conference.**
