2025 4-H PROJECT AUCTION

Friday, August 1
8:00 PM

SPONSORED BY: Johnson County Extension Education FOUNDATION

Come invest in the Johnson County 4-H youth as they offer their projects for sale! Your support helps them recuperate project expenses, and fund future projects, education, etc.

It's Simple!

1. Look for items tagged "Buy Me at Auction" in the 4-H Building.
2. Register as a Buyer at the South End of the Livestock Pavilion beginning at 6:30 p.m. on Friday.
3. Bid on your favorite item(s)!
4. Check out with cash, check, or credit card (fees apply) at the Grange Building.

Not interested in purchasing an item?

You can still support the participating 4-H'ers with add-ons. An add-on is money you can give an individual 4-H'er without actually purchasing the item. Also, it's a way to support more than one participant.
