Quotes for Good

**MONTH OF
NOVEMBER
2019**

We are excited to be sponsored by our local Ashley Himes State Farm agent as the November "Quotes for Good" organization. Every person POWER sends their way and completes an auto, fire, life, or health quote, they'll make a \$10 donation to POWER!

The individual can be a new customer or a current State Farm customer that has policies with this agent. Currently a policy holder with this agent? Just ask for a quote for business you do not already have with the agent. Be sure to mention "Quotes for Good" and POWER for the quote to qualify!

Thank You Ashley Himes State Farm for supporting POWER's mission and continuing to make a difference in our community!
