

# What's New in Kindergarten?

## מה חדש?

Friday, October 12, 2018/ 3 Heshvan 5779

### This week:

- We learned the letters **d** and **s**! We continued to read in small groups with Jessi and played different letter sound games in pairs.
- We read different rhyming books and identified the matching rhymes. Ask your child to think of words that rhyme. What rhymes with ball? Leaves? Hay?
- We read the book *The Sabbath Lion*. We asked the question: What would you do if you were Yosef traveling in the desert?
- We continued our Creation unit by learning about the moon and its phases.
- We took a close look at *Shabbat* candlesticks. We generated a list of their attributes. Ask your child about this list. Some were... Some had...
- Ask your child how the land of Israel comes to our *Shabbat* table through our candles. (olive trees/olive oil/light.)
- We continued our Wall Torah ..Parsha Noach.
- We measured 4 different candlesticks using unit cubes and compared each one.
- We did an amazing job helping to act out the story of The Tower of *Babel* at our Kabbalat Shabbat today!
