

# What's New in Grade 2?

## מה חדש בכיתה ב'?

Thursday, March 14, 2019

### This week, we:

- Studied *Parshat Vayikra*, our first parsha in the Book of *Vayikra*. We focused on the fact that this week is a special Shabbat on the Jewish calendar - *Shabbat Zachor* - Shabbat of Remembrance, where we remember (always on the Shabbat right before Purim) how the nation of *Amalek* treated the Israelites so badly.
- Were invited to learn from the  $\frac{3}{4}$  graders, as they celebrated a *siyyum* for having finished their in-depth study of *Parshat Hayyei Sarah*.
- Recalled the key mitzvot of Purim: giving gifts to the poor, gifts between friends, reading the Megillah, having a festive meal
- Created arrays in math and learned how they connect to multiplication.
- Visited with residents at Creekside to celebrate Purim together. We ate hamantashen and created masks with them.
- Started making our own grape juice with Ali during Environmental Ed.
- Chose the states we will be researching for the 2nd grade State Fair!

### Questions for your kids:

- What is the connection between Amalek, from Parshat Zachor that's read this Shabbat, and the evil Haman from the story of Purim?
- Why is what Amalek did to the Israelites so bad?
- What were some of the "basic state facts" you learned about your state this week?
