

What's New in Grade 5?

מה חדש בקתה ה'?

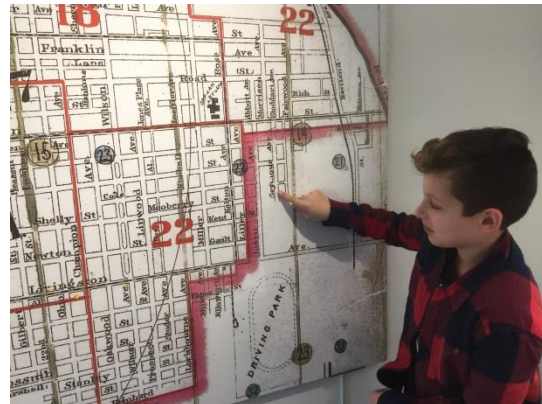

Thursday, March 14, 2019/ 7 Adar II 5779

This week, we

- Met with representatives of JewishColumbus and toured the Columbus Jewish Historical Society, after Tefillah at Beth Jacob Synagogue. Ask your child to explain what an archive is, and why it's important to have one in the community. What in the exhibit impressed them the most? What personal item might they want to contribute for future generations to see?
- Dressed in funny costumes, made masks, sang Purim songs, and ate hamentaschen with residents of Creekside.
- Finished Part 4 of *Heart of Samurai* and worked on an activity where the students pretended to be the main character writing a letter about the events in the book.
- Took a math assessment about multiplying fractions.
- Practiced chanting small selections from the Megillah scroll in preparation for our CJDS Purim celebration.
- Concluded our analysis of the Purim story with our various Thinking Hats: Was Ahashverosh a good king overall, or a bad one? How does leadership affect a culture?
- Started typing up information about our careers for our Career Day posters. Please see attached document for more information about the poster presentation. Career Day will be Friday, March 29.
- Reflected upon Ya'akov's and Rahel's actions in fleeing Haran: Is stealing ever justified? Is deception?
