

# What's New in Grade 6?

## מה חדש בכתה ו'

Friday, February 8, 2019 / 3 Adar I, 5779

My utmost gratitude to everyone for welcoming me to CJDS. I look forward to meeting our parents to establish and maintain open communication at all times. Eran and Sheri have built an educational world of joy and inspiration that I intend to uphold through the end of the year. I greatly appreciate your tremendous support throughout this transition.  
--Sincere and Kind Regards, Steven Moc

- *Tefillah*: celebrated *Rosh Hodesh Adar I* with special guests, First Grade students, and special *tefillot* from *Hallel*
- Math: introduced coordinate graph and coordinate geometry
- ELA: completed short story original composition
- Hebrew: learned vocabulary of various professions/careers using the song *Kesheheheyeh Gadol*, When I Grow Up
- *Humash*: started *Parashat Miketz*; discussed the connection between Pharaoh's dreams and Yosef's interpretation
- Social Studies: continued civil rights essays
- *Nevi'im*: Who was the prophet Samson? What kind of a leader was he? The students became familiar with this colorful biblical figure and wondered about his personal characteristics.
- Music: started practicing the song *Here Comes the Sun*
- Under the direction of Ms. Palma, the students led an activity in stations focused on "Habits of a Good Leader". All CJDS students participated.
- We enjoyed eating Krembo, a special winter treat, which was sent to us by our friends at the Brenner school in Kfar Saba. See our reactions [here](#)

Ask your 6<sup>th</sup> grader:

- Who is the world's superpower of water?
- What do the names "Etgar" and "Keret" mean?
- What is a life lesson you take from Samson's story?
- What was Yosef's addition after he finished interpreting Pharaoh's dream? Why did he add this part?
