We had a wonderful week of school! Some things we did were:

- Environmental Science-have been learning about tower gardens; cleaned out/organized the greenhouse
- ELA-learned about suffixes and base words and when to add s or es to words to make them plural
- Math -practiced multiplying by tens and solving 3 part equations
- Hebrew-learned cursive *gimmel, hay, raish*
- Judaics-began our *Pesah* (Passover) unit: learned the four names for the holiday, read the story in Hebrew, played games and answered questions (in Hebrew) about the characters in the story
- Music-listened to a Chopin piece, more work with boomwhackers

Ask your child:

- Name one of the names for Passover
- When do you think *Moshe* knew he was Jewish?
- Can you spell: would, come and after? When do add es to a word?
- What is the equation for 3 tens-2 tens?
