

## What's New in Grade 5?

# יָמָה חָדֶש בָּכְתָה הָ?

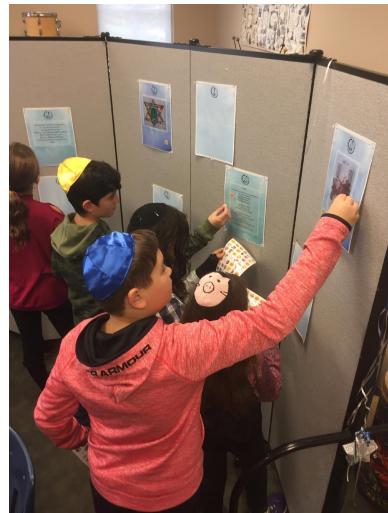

Thursday, November 8, 2018/ Rosh Hodesh Kislev, 5779

### This week, we

- Visited a “Wall of Peace” in memory of Yitzhak Rabin. (See pictures below.)
- Voted in a new school-wide election on where students should play during recess.
- Started working on our Rube Goldberg machines. Students are really excited! Ask your children their plan for affixing a Band-Aid to a hand.
- Finished our reading of the *The One and Only Ivan*.
- Applied the legal principles behind our mishnah in Bava Kamma to the following case: Jake hires a body shop to repair some dents and paint his car red, but the body shop paints his car green. Does Jake still have to pay for the labor, assuming the car has increased in value? (Has the body shop “ruined” his car, or done a less than perfect job?)
- Continued working on multiplying multi-digit numbers.
- Introduced the eight “Action Gloves” that accompany the colored “Thinking Hats” (Yedidim Hebrew group); debated the pros and cons of “tattling” by using the Thinking Hats (Re’im Hebrew group).
- Will visit WHV and interview residents in anticipation of Veteran’s Day.

### Of Special Note:
