### This week:

- Thank you all for coming last night to Back to School Night! We look forward to continuing to be in touch about your children's learning and growth!
- We learned the letters **b** and **f** during FUNdations
- We learned that a capital letter begins a sentence and a period comes at the end of a sentence

- *Lin* visited us on Tuesday and taught us about the map of Israel
- We investigated four different types of apples (granny smith, red delicious, golden delicious and gala) by guessing and counting the number of seeds they had, tasting them, measuring how big they are and how much they weigh
- We made Rosh Hashanah cards for our buddies!

### What's coming up?

- Next week we are going to be continuing our lessons on apples and bees along with Rosh Hashanah!
- Monday, 9/3: Labor Day **No school**
- Friday, 9/7: Rosh Hashanah Kabbalat Hag 1:40-2:20 in the gym

### Reminders:

- Please know that as a way of welcoming Shabbat and other major Hagim/holidays together as a community, we mark that celebration with all staff, faculty and students wearing our navy CJDS Polo shirts. So we ask that you help remind your children to wear a CJDS navy polo shirt on all Fridays, and any Kabbalat Hag Assemblies. Just let us know if you need any help getting your child one of these collared shirts. Thank you so much for helping us build a warm, joyful culture around marking and celebrating the Jewish rhythm of the year!
- Please check your child's green Friday Folder for home learning, student work, and other information and return it empty on Tuesday!
- In your Friday folder there is a paper about your child's Hebrew name. Please fill this out and return by Wednesday.
