We had a wonderful week of school! Some things we did were:

- Math-made pictures to learn subtraction
- English-celebrated that we finished learning to write all our lower case letters.
- Hebrew-learned the letter *het*; read a book called *HaBayit Hahi Tov BaRehove* (The Best House on the Street) and drew pictures of our houses, learned Hebrew words for clothing, learned a song about washing our hands
- Social Studies-learned about the globe and the four cardinal directions (North, South, East, and West)
- Integration-Began labeling a map of CJDS with the Hebrew names for grades in our school, a map key with symbols, and a compass rose in Hebrew and English
- Music-Reviewed the different instrument families

Ask your child:

- Can you tell me the Hebrew word for one thing you are wearing?
- Write "hot" then change it to "hut" and "hat"
- If you go North is it colder or hotter?
- To name an instrument family
- Which instrument did Mr. Angelo have in the big box? (an accordion)
