

What's New in Kindergarten?

מה חדש?

Friday, October 26, 2018/ 17 Heshvan 5779

This week:

- We learned the letters **p** and **j**! We have been practicing reading and writing CVC (consonant-vowel-consonant) words. Ask your child to write or sound out different CVC words.
- We learned partners that make 10. Ask your child what partners make 10.
- We had Tefillah with our buddies on Monday and Tuesday.
- We created Shabbat puppets for each member in our family and solved math problems with them. Ask your child: how many people are at your shabbat table? How many adults? How many kids? How many more adults than kids? How many girls? Boys?
- We had Environmental Science with Ali for the first time this week! We talked about our favorite vegetable and tried Kale. Ask your child what they thought of the kale.
- We prepared for Shabbat Kit Making and made challah with Ms. AG. Ask your child what ingredient helps the dough rise.

What's coming up?
