

# What's New in Grade 1?

## מה חדש בכתה?

Thursday, February 14 2019/9 Adar 1 5779

We had a wonderful week of school! Some things we did were:

- Science - learned the parts of a tooth and how to practice good dental hygiene
- ELA: reviewed digraphs and played a fun game putting words into the categories of digraphs, trick words or glued sounds
- Math -used centimeter cubes to measure objects and put them in order of largest to smallest
- Hebrew-learned the letter *tzadi*, answered questions about the *tzadi* story in Hebrew
- Judaics-Practiced for our upcoming *Kabbalat Shabbat*
- Art-continued work on our props for our *Kabbalat Shabbat* and worked on Art to Remember pictures
- Integration-Practiced for our *Kabbalat Shabbat*
- Music-learned about Rap music, beat, and rhythm

Ask your child:

- In the *tzadi* story, what were the children doing outside?
- What is the difference between beat and rhythm? (beat never changes and rhythm has a unique pattern)
- What digraphs do you know?
- Who was our first president?

Reminders:

- Fri., 2/15 & Mon. 2/18:  
President's Day Weekend--**No School**
- Fri., 2/22: 1st grade *Kabbalat Shabbat*
- Please collect *tzedakah* money for Pennies for Patients in the cardboard container in your child's Friday folder (see *Ma Koreh* for more information)
- Wed. 2/27 & Thurs. 2/28:  
Parent/Teacher Conferences  
4-7 p.m.
