

The story of your child's creation.

## What's new in the classroom?

### מה חדש בכתה?

Friday, October 12, 2018/ 3 Heshvan 5779

Dear Families,

We had a fabulous week in school. There were a lot of visitors and our students demonstrated their strengths as communicators.

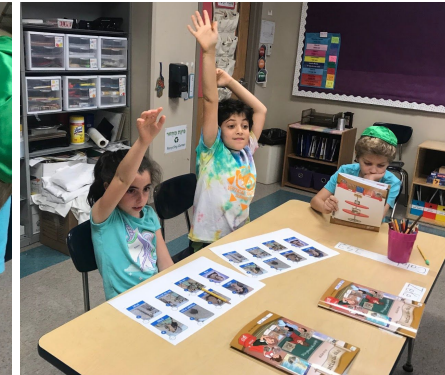

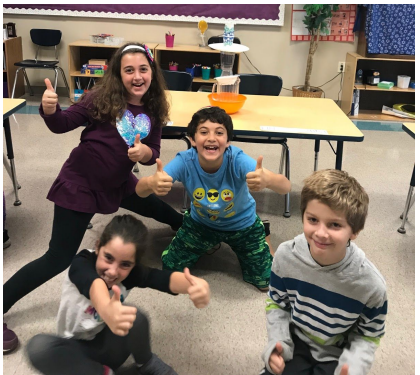

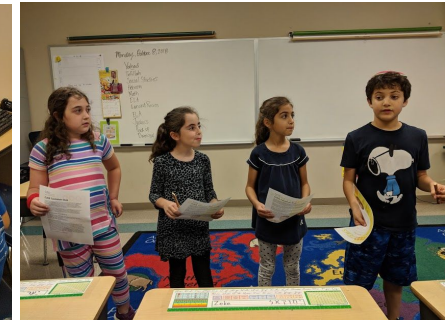

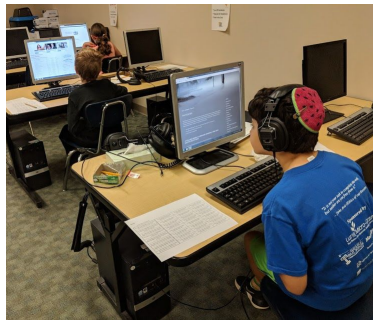

This week we:

- Learned about the new girl in class, Keren Lev (TalAm story)
- Parshat Noach, righteousness. Built a tower with teamwork/communication
- Worked in the Computer lab collecting information for our research papers
- Dissected multi step word problems that utilize both addition and subtraction
- Had a social learning lesson with Jen
- Ba'ayah, Etzah, Peetron (problem, advice, solution)
- Began our reading groups in ELA
- Organized our class work and began choosing pieces for our portfolios
- Tfillah with 2nd grade on Tuesday
- Lin the Shlichah came to spend time with us!
- Rosh Chodesh Cheshvan

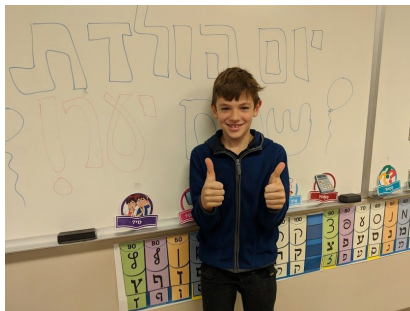

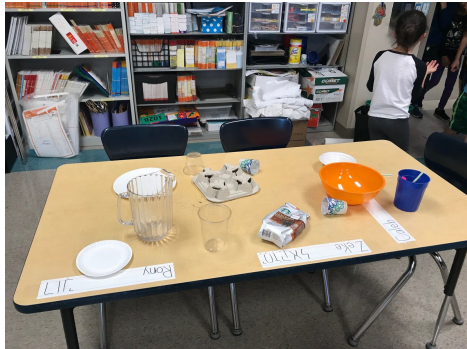

Ask your 3<sup>rd</sup> or 4<sup>th</sup> grader:

- How can you help someone new to feel comfortable and safe
- Why do so many languages exist in our world
- To tell you about their research and what they have learned so far
- To share the book they are reading with their reading groups
- What are key words (i.e., estimate, about, exactly, total, more, etc.) in word problems that give you clues on what steps you need to take to solve
- What is peer editing
- Why did Dafna bring *rainbow* Challah for us to share in class?

# Caught in Action! 📷 תפשונו על חם

May your Shabbat be filled with rainbows!  
Carol and Ari
