

The story of your child's creation.

August 17, 2018 / 6 Elul, 5778

Dear Parents,

We had a very busy and fun first Friday of first grade! We started our morning with Ari's birthday celebration, where we learned so much about Ari from his birthday book. We had our first Math lesson with Mr. AG & Katie read a Hebrew story that introduced Ariot (the Hebrew lion mascot) and some new friends that will be in our Hebrew books this year. We ended our morning with a visit from Ariot himself! We are so excited for a full week of school next week with your children! The afternoon celebrated our welcome back to school with a Kabbalat Shabbat ceremony and a carnival!

Ask your child:

- What did Ariot bring to each child today? (A sucariah; a pretend lollipop with the child's picture)
- What did Ariot lead? (A parade around the school)
- What did we learn about Ari today? (Two older siblings, Mia and Xavier; loves Harry Potter and Soccer)
- What is in your Friday Folder? (Take it out and see about the sharing schedule)

Shabbat Shalom and have a wonderful weekend,
Katie and Mr. AG
