Thursday, May 16, 2019/11 Iyar 5779

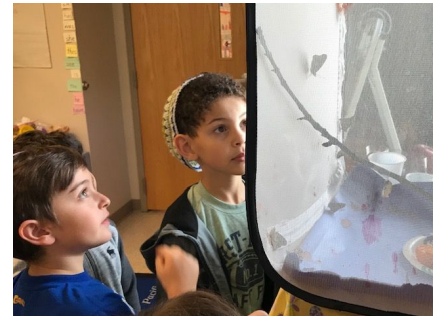

We had a wonderful week of school! Some things we did were:

- ELA-Wrote sentences using “jazzy” describing words
- Math -learned to tell time to the hour and half hour
- Hebrew-learned cursive letters: *tzadi*, *ayin*; learned a song and read a book about *geshem* (rain), read a story called *Ma Yesh BaOlam?* (What is in the World?) about the wonderful things G-d created, made a mural of these things for the Recyclable Fashion Show
- Science-continued to watch our caterpillars form a chrysalis
- Environmental Ed-helped with weeding in the garden

Ask your child:

- In the story for *tzadi*, why couldn't *Doda Tzviya* and *Dode Tzadoke* draw and take pictures of the *tzvi* (deer)? (the *tzvi* was running)
- What was the cute animal in the *Yesh Geshem BaHutz* story? (a duck)
- Can you describe the life cycle of a butterfly?
- What number is the minute hand on when it is 6:30?
