We had a wonderful week of school! Some things we did were:

- Social Studies-continued our unit about occupations
- Integration-learned the Hebrew words for our occupations and added them to our career stories
- ELA-wrote outlines and "sloppy copies" for our career stories and learned 7 new trick words
- Math -used dimes and pennies to record and name tens and ones within a two-digit number
- Hebrew-learned the letter *tav* and completed our books, prepared for *Hagigat HaSefer*, Ariot delivered our new cursive books and we were so excited to look through them, enjoyed cookies with the Hebrew print letters from our Hebrew names (we ate the print letters because we are done with them!)
- Judaics-continued our *Purim* unit: learned a song called *Ma Osim B'Hag Purim?* (What do we do on *Purim*?)
- Music-listened to Beethoven

Ask your child:

- To name some of the *mitzvot* we do on *Purim* (read the *Megillah* and blot out *Haman's* name, wear a costume, give *tzedakah* to the poor, eat a festive meal, send *mishloach manote* (food baskets) to our friends/family)
- What is the name of the person who leads an orchestra? (conductor)
- Can you spell: some, could, want and first?
- How many dimes and pennies are in 24, 13 and 52?
