Dear Families,

We hope that everyone had a fabulous week!

Here are some of the things we did this week:

- Parsha of the week - Moshe retrieving the Torah
- The descendants of Avraham
- Who wrote the torah? \*an amazing question posed by one of the students in class!\*
- Learned more about distinguishing characters and settings in our reading
- We completed Parsha Hayei Sarah!!! Now we are planning Siyum celebration!
- 

Ask your 3<sup>rd</sup> grader:

- What do you think of the discussion on who wrote the Torah
- Wrapping up our Tar and Sar summary activity
- How it was to begin the Purim unit
- To tell you their most memorable part of Hayei Sarah

Ask your 4<sup>th</sup> grader:

- About ideas of who wrote the Torah and when do some say it happened
- About their written responses in Hebrew regarding what Tar and Sar learned on their trip
- What do you remember about Purim? What does the word Tzhok mean and to tell you about the lyrics to the song we filled in with Tal Am
- To tell you one memorable item from the beginning, middle, and end of Hayai Sarah
