

RESIDENTIAL COLLECTION DAYS UPDATE

December 6, 2022

In order to service the ever-growing number of new residences in Babcock Ranch, Ecologic Waste Management (EWM) will be modifying the waste and recycling days for a number of neighborhoods. This will allow more capacity for collection and support the future growth of our community. Starting the week of Monday, January 2nd, 2023, the collection days will be as follows for the corresponding neighborhoods:

Waste	Service Area 1	Recycling
Monday		Wednesday
(Green Top)		(Yellow Top)
	Trails Edge	
	Lake Babcock	
	Parkside	
	The Preserve	
	Crescent Grove	

Waste	Service Area 2	Recycling
Tuesday		Thursday
(Green Top)		(Yellow Top)
	Babcock National	
	Northridge	
	Lake Timber	
	Edgewater	
	Edgewater Shores	
	Waterview Landing	

Your cooperation with the adjusted collection days is appreciated.

Sincerely,

Tony Marinacci
Operations Manager
