What to Know for the Parents

Please don't send a sick child to VBS (upper respiratory symptoms, fever, loose stools, etc.)

Please don't send a child who was exposed to someone with active COVID19 in the last 2 weeks

Please explain that hand sanitation or washing for 20 sec. is required upon arrival & as needed

Face coverings are required for kids 5 & older at this point. We will provide one to the kids if needed.

We will be asking kids to keep an arm's length or more from other kids

Our stations will be set up to keep kids in assigned seats 6 ft. from each other, except for siblings

Kids are to be picked up by 8 pm. You will need to check out at the registration desk.

You are welcome to sit in with us for the closing at the end of each day as well.

Please call or text if your child is not coming one of the days as soon as you know or if you have any questions about VBS. **Sherry 231-633-1082 or Darlene 231-499-0807**

Our goal is to introduce kids to Christ and keep them safe in the process
