

ANNI'S ARMY

F O U N D A T I O N

**Benefitting Pediatric Brain Cancer
Research and Anni's Gift**

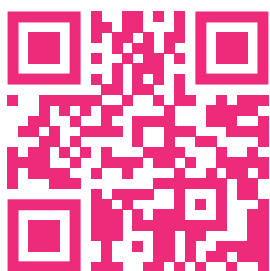

www.annisarmy.org

Our foundation was formed to raise money to aid in the research of pediatric brain cancer as well as funding Anni's Gift. Our hope is the ongoing research supported in part by our organization will help kids and families in the future to not have to suffer through the pain and mental anguish our family has.

We are an accredited nonprofit and your donation is tax deductible and appreciated more than a thank you letter can portray.
