

Join us for Walk to School Day!

Wednesday, October 10, 2018

What:

Join schools from around the world to celebrate International Walk to School Day!

- Students from New Ulm Middle School, Jefferson Elementary, St. Paul Elementary and St. Anthony Elementary are invited to walk to school along with parents, teachers and community leaders in a "Walking School Bus."
- There will be not be any organized groups for biking, but we highly encourage students (and their parents) to bike to school on their own.

Why:

The Walk to School Day event helps us promote safer routes for students who walk or bike in our community. It also helps to promote physical activity for our students, and build connections between our families, schools and community.

- **Drop-off locations and maps**

How it works:

- Instead of driving students all the way to school, parents can drop off students and register them to walk at three designated locations in New Ulm.
- From each location, at least two adult volunteer “Walking School Bus drivers” will walk with students to each New Ulm school in the morning.
- We encourage parents who wish to walk with their children to park at one of the locations and join the Walking School Bus.
- We also encourage students and parents who live close to school to still walk and bike from home on their own, too!
- Another option for participation is for parents to drop their children off two to three blocks from school and let them walk the rest of the way and avoid the congestion at school.

Walking School Bus Schedule
