VILLAGE OF WHITEFISH BAY PLAN COMMISSION MINUTES

**December 28, 2020 – 5:30 pm
Whitefish Bay GoToMeeting**

1. Call to Order.

President Siegel called the meeting to order at 5:30 pm.

Present: President Siegel, Commissioners Fuda, Roth, Huber, Koltun, and Sauer

Also Present: Assistant Village Manager Tim Blakeslee, Village Manager Paul Boening Village, Attorney Chris Jaekels

2. Approval of the Minutes of the Regular Meeting of November 18, 2020.

Commissioner Sauer moved, seconded by Commissioner Koltun to approve the minutes of the regular meeting of November 18, 2020. Motion Carried, 6-0.

3. PUBLIC HEARINGS

[a] On Conditional Use Grant Application for The Creator Collaborative, LLC – 623 E. Silver Spring Drive, Suite 212, Whitefish Bay, WI, 53217.

Public hearing opened by President Siegel. No public comments and no written comments. Public hearing was closed by President Siegel at 5:32

4. NEW BUSINESS

[a] Review and action On Conditional Use Grant Application for The Creator Collaborative, LLC – 623 E. Silver Spring Drive, Suite 212, Whitefish Bay, WI, 53217.

President Siegel asked Attorney Jaekels about what the Village would need to do to allow this type of item to be approved by Village Staff. Attorney Jaekels noted an ordinance change would be required. Jim Feiereisen with The Creator Collaborative provided a summary of his business, the LLC change, and the ownership change. There was discussion about the volume of users, product offering, how well the business was doing in the pandemic.

Commissioner Huber moved, seconded by Commissioner Fuda that the Conditional Use Permit Application for The Creator Collaborative, LLC at 629 E. Silver Spring Dr. Suite 212 be approved by the Plan Commission on all aforementioned conditions outlined in the staff memo, and subject to the following additional condition: Given the close proximity to residential development, deliveries to south side the building shall be prohibited between the hours of 10:00 p.m. and 6:00 a.m. Motion carried 6-0.

Re: Luxe Nails, LLC – Conditional Use Application

Executive Summary

Applicant Ivan Peralta has applied for Conditional Use approval to operate Luxe Nails, LLC at 509 E Silver Spring Drive. This space is currently occupied by Beyond Full Spectrum, who is looking to rent the space to another tenant. See the photo below of the proposed location. The applicant indicated that the business is a nail salon that will provide manicures and pedicures. The proposed business hours are Monday to Friday, from 10:00 a.m. to 7:00 p.m., and Saturday and Sunday, from 10:00 a.m. to 5:00 p.m.. The application notes 3 to 5 employees for the business.

The business will be subject to the applicable laws as dictated by the Zoning Code. The following section will detail some of the requirements needed of the applicant for this business to be compliant with Village laws.

Requirements

Under the Village Code of Ordinances, the applicant must meet the subsequent legal requirements to operate the proposed business within the Village.

- The applicant must also be compliant with the zoning district laws that fall under Section § 16-16. This includes all subsequent laws including the uses of retail and services in the Silver Spring District, as well as all matters of the Plan Commission's review of the business at the hearing. Based on the business operations described in the application, the business model would be compliant with both the retail and service-based businesses permitted in the Silver Spring Business District.
- The applicant indicated that they would like to receive approval to conduct business Monday to Friday, from 10:00 a.m. to 7:00 p.m., Saturday and Sunday, from 10:00 a.m. to 5:00 p.m. Staff recommends approval of the full range of hours permitted by Village Code (6:00 a.m. to 10:00 p.m. from Monday to Sunday). In the event the applicant wishes to adjust hours in the future, approval by the Plan Commission will be required.
- Signage for the proposed business must meet the standards of § 16-43H and will require a sign permit. Once signs are submitted for the business, they will have to be reviewed and approved by the Building Services Director before being able to be placed on location.
- The applicant plans to make minor changes to renovate the interior of the space to make it suitable for their operations. Proper and permitted ventilation will be required per Village code. An interior layout is included with their application. Occupancy of the tenant space is subject to proper receipt of all necessary permits, approval from the Village Building Inspector, and approval from all applicable outside agencies (i.e. State of Wisconsin, North Shore Fire Dept, North Shore Health Dept). **A pre-development meeting with the Building Services Director is required within 10 business days of Plan Commission approval.**
- While not planned at this time, should any changes to the façade of the building be made the business owner must obtain prior approval from the Community Development Authority (CDA) and Architectural Review Commission (ARC).
- Section § 16-21F(1)(a) dictates that “off-street on-site” parking is required in District 11. Based on the requirements in Section § 6-24C of the Municipal Code, approximately four (4) parking stalls are required based on the code requirement of 4 per 1000 sq ft for personal services. As Commissioners are aware, there are a total of 132 public parking spaces in the two garages behind the Fox Bay Building, public parking lot located directly south of the Winkie's building, as well as street spots available within walking distance of the proposed business. It is

under the discretion of the Plan Commission to bypass the parking requirements based on the availability in the area.

Recommendation

Staff recommends approval of the Conditional Use Permit Application for Luxe Nails at 509 E Silver Spring Drive with approval of the Plan Commission on all aforementioned conditions, and subject to the following additional condition:

- Given the close proximity to residential development, deliveries to the south side of the building shall be prohibited between the hours of 10:00 p.m. and 6:00 a.m.

CONDITIONAL USE APPLICATION AND REVIEW PROCESS

Overview: Applications for conditional use approval will be discussed by the Plan Commission following a public hearing. The Plan Commission meets on the third Tuesday of each month and has the authority to approve or deny the application.

Application Deadline: Applications must be received by the close-of-business ***at least 21 days prior to the meeting date due to publication requirements***; applications received after this date cannot be heard at the Plan Commission meeting of the following month.

Submission Requirements: The attached application form must be completed and submitted with all requested materials. Failure to submit all application materials may delay the review process described below.

Example

Applications are due at least 21 days prior to the meeting date.

Timeline

MONTH A							application
Su	M	Tu	W	Th	F	Sa	

MONTH B							action
Su	M	Tu	W	Th	F	Sa	

Staff Report: Village staff will prepare a report summarizing the application, reviewing it against Village ordinances and policies, and provide a recommendation for the Plan Commission. A copy of this report, along with the meeting agenda, will be provided to the applicant prior to the public hearing at the Plan Commission meeting.

Notice of Public Hearing: Wisconsin State Law requires notice of a public hearing to be published in a specified, legal newspaper a minimum of 7 days prior to a public hearing. Village Ordinance further requires that notices be mailed to property owners within 100 feet of the affected property. These notices are prepared and sent by Village staff.

Plan Commission Meeting: Applicants are encouraged to attend and participate in the public hearing in order to present the application and respond to questions from the Plan Commission and/or members of the public. The public hearing will be held in the Village Hall Board Room.

- At the Public Hearing: The Plan Commission Chairperson will call the meeting to order at the appointed time, and the minutes of the previous meeting will be reviewed. Items requiring public hearings are next. Members of the public will then be invited to ask questions about the application and to make comments about the proposal. Once the public comment period has concluded, the Chairperson will close the public hearing, and the Commissioners will discuss the application and make a decision.
- Plan Commission Action: The Plan Commission has the authority to approve or deny an application, no further action is needed.

Validation and Expiration: A conditional use approval must be used within 1 year of the date of the approval. A conditional use approval will automatically expire if the approval is not used or if the applicant ceases operation for a continuous period of 1 year or longer.

Re: Review and recommendation to Village Board on Certified Survey Map to combine the Lots 1 and 2 of Certified Survey Map No. 8551 at 5866 N. Shore Drive

Executive Summary

In March, the Village was approached by Karl Holtermann on behalf of Rod Brower to combine the existing two lots at 5866 N. Shore Drive. Mr. Holtermann submitted a Certified Survey Map (CSM) to Village Staff requesting to join the lots in early April. This CSM is included as Attachment 1. Tim Barbeau, PE, PLS, with R.A. Smith reviewed a draft of the CSM on behalf of the Village and found that it was technically acceptable subject to conditions outlined in Attachment 2. Mr. Holtermann has updated the CSM subject to conditions outlined in the memo from Mr. Barbeau. Village Staff reviewed and approved the CSM with regards to zoning which is outlined in Attachment 3.

Recommended Motion

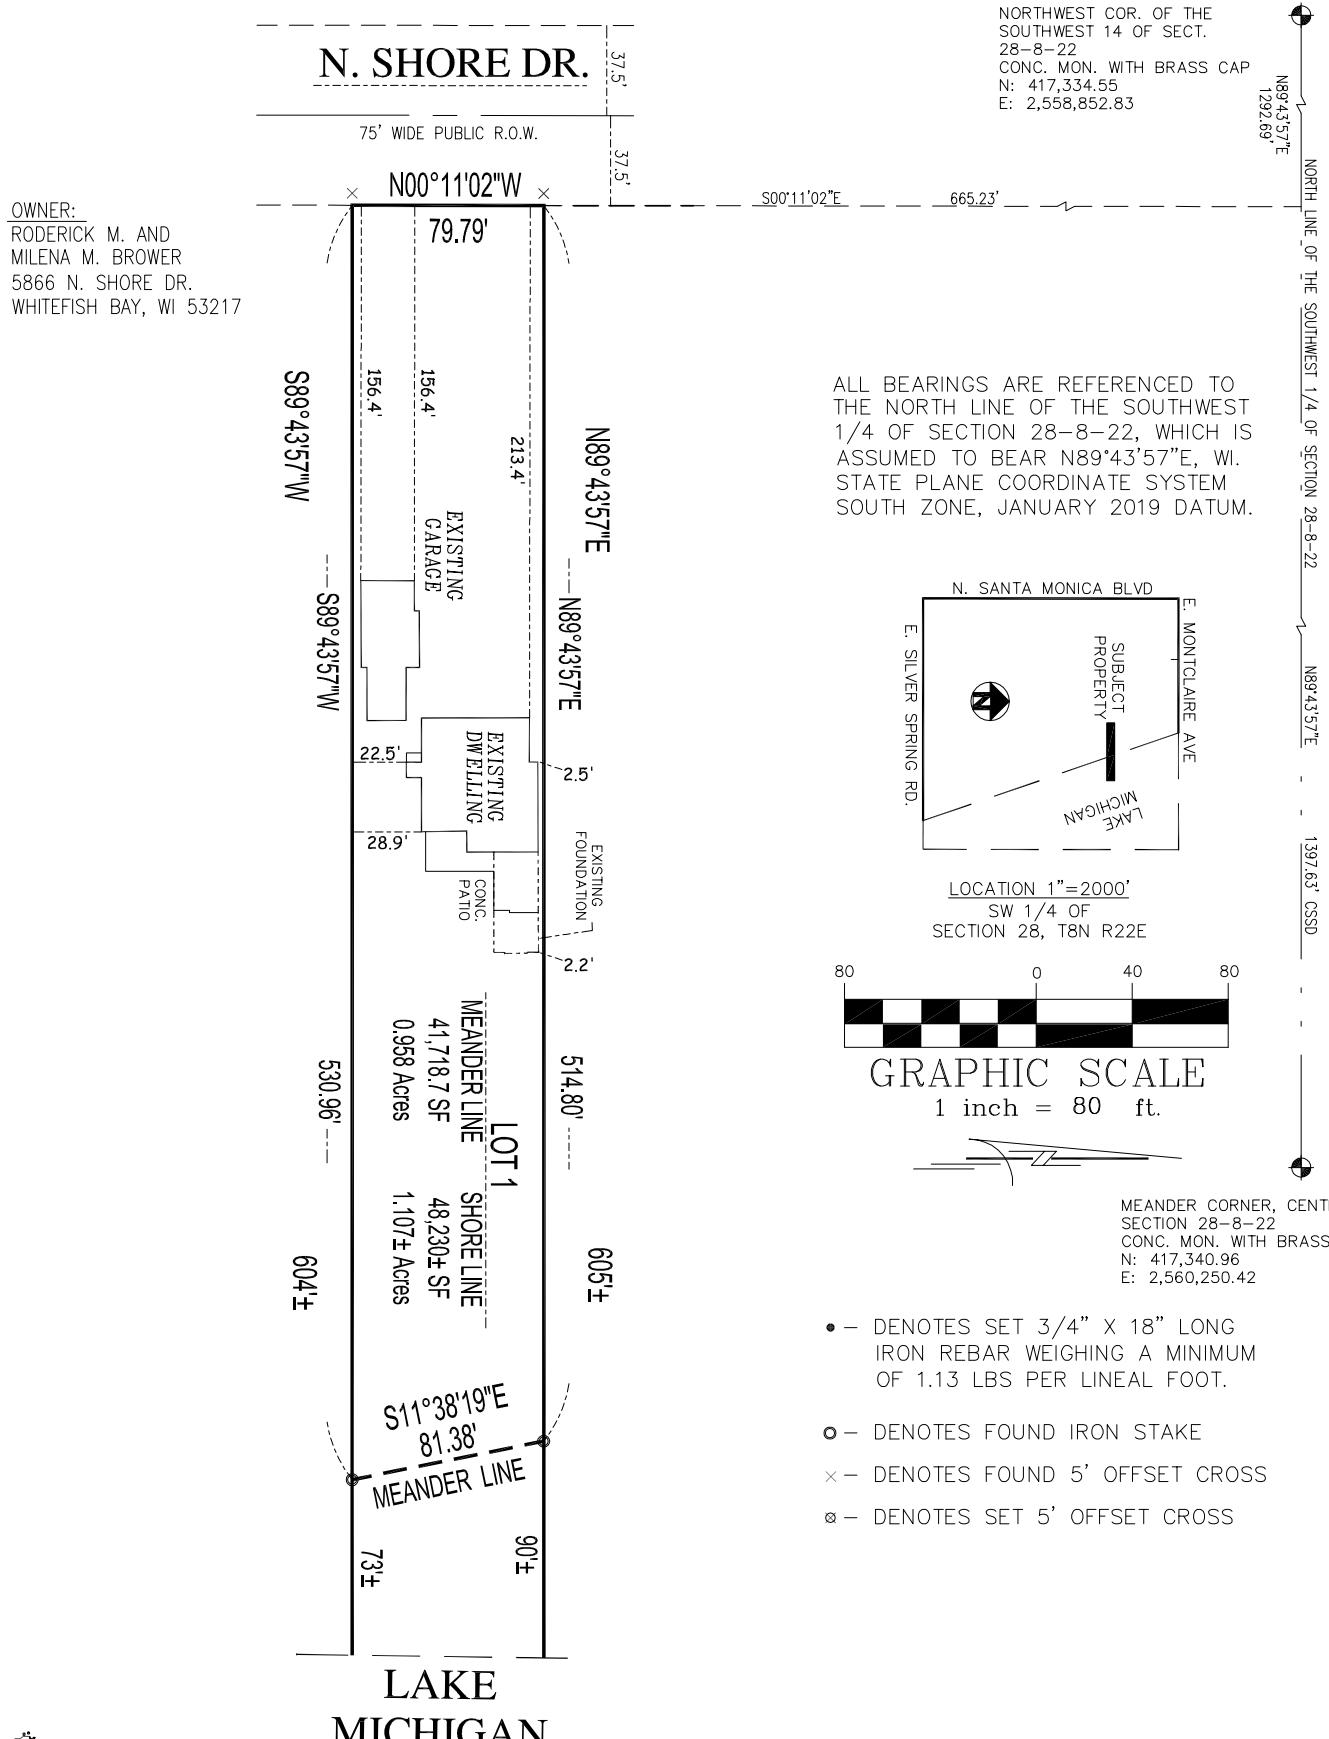

Recommend that the Village Board approve the Certified Survey Map to combine the existing lots at 5866 N. Shore Drive, Whitefish Bay, WI, 53217

RE: Brower Certified Survey Map – 5866 N. Shore Drive

I have reviewed the subject Certified Survey Map dated 3/24/21 and have the following review comments and recommendation:

1. The bearing of the line between the Section line and the point of beginning is shown as S0°11'02"E on the map; whereas the legal description describes that line as being, S0°10'45"E.
2. The Owner's Certificate states that the map is in accordance with Chapter 8 of the Village of Whitefish Bay Code of Ordinances. Chapter 8 does not apply to Certified Survey Maps. I suggest that the words "Chapter 8 of" be stricken.
3. If there is a mortgage on the property, a mortgagee's statement is necessary.
4. I suggest that the 100-year floodplain line be shown on the map and a note added stating that any improvements are subject to Village floodplain setback requirements.
5. The CSM meets all closure requirements.

Recommendation:

I recommend approval of the CSM subject to satisfaction of the above noted items, and the surveyor and owner affixing proper signatures on the final recordable copy of the map prior to the Village signing the document.

Should you have any questions, please feel free to contact me.

Re: Review and recommendation to Village Board of Ord. No. 1882 to Rezone 816 & 820 E. Glen Ave. from District 2 – Single Family Residence to District 4 – Churches, Public Buildings & Grounds).

Background and Request

The United Methodist Church of Whitefish Bay is seeking a recommendation from the Plan Commission to rezone property at 816 & 820 E. Glen Avenue from District 2 Single Family Residence to District 4 Churches, Public Buildings and Grounds.

The Rezoning Petition is attached along with a narrative from the applicant.

Staff Discussion

The applicant has indicated that a rezone to District 4 would more accurately reflect the actual usage of the properties and give the Church the flexibility to use them as needed for

residential and other Church-related needs while not disrupting the Glen Avenue neighborhood.

Although the Church has also declared that it does not desire or intend to use the subject properties in ways that would disrupt or upset the Glen Avenue neighbors, Plan Commissioners should note that a Rezone to District 4 would enable a future expansion/alteration of the Church use. For example, a District 4 designation would allow for a potential church building addition and/or the construction of a parking lot should the single-family structures be demolished. Any such future use(s) would require compliance with Village Code provisions.

The allowable uses in District 4 are governed by Section 16-12 of the Whitefish Bay Municipal Code:

§ 16-12 District 4 - Churches, Public Buildings and Grounds.
[Amended by Ord. No. 1574; Ord. No. 1724; Ord. No. 1814]

A. In District 4, except as in this chapter otherwise provided, no building or premises shall be used and no building or structure shall be erected, altered or maintained which is arranged, intended or designed to be used except for:

- (1) Churches, including accessory rectories, auditoriums and convents.
- (2) Public buildings and grounds.
- (3) Private, public and parochial schools including accessory buildings, playgrounds, athletic fields, stadiums, gymnasiums and fieldhouses, provided that such schools have a full time academic curriculum as required by state statutes.
- (4) Sewerage and water pumping stations and water storage tanks.
- (5) Parking of passenger automobiles, motorcycles and bicycles which shall be subject to § 16-17 of this chapter.
- (6) Uses and buildings accessory to those enumerated in Subsection A(1) through (5) of this section, including single-family dwellings and private garages for the sole use of the owner and his or its officers, members of their families and employees, but not including any duplex or double house, store, trade, business or industry.

Recommendation

In accordance with Wisconsin Statutes, the Plan Commission is required to forward a recommendation to the Village Board. The Village Board is scheduled to discuss and take action on Ordinance No. 1882 (attached) on May 17, 2021 after holding a Public Hearing that same evening.

The Plan Commission should determine the merits of recommending a rezoning of 816 & 820 E. Glen Avenue to District 4 based on the rationale provided by the applicant while also considering the potential implications/appropriateness of future use(s) should a rezone occur. If the Plan Commission is concerned about future development potential of the lots, it should discuss such potential with the applicant prior to voting on a recommendation.

United Methodist Church of Whitefish Bay Statement Regarding Petition for Zoning Change for 816 and 820 E. Glen Avenue

The United Methodist Church of Whitefish Bay is petitioning for a zoning change for both 816 and 820 E. Glen Avenue from District 2 - Single Family Residence to District 4 - Churches, Public Buildings and Grounds. The Church is located at 819 E. Silver Spring Drive and owns 816 and 820 E. Glen Ave. (referred to as 816 and 820). The properties are directly behind and south of the Church. Both properties are currently zoned as District 2 single family residences.

Section 16-12 of the Village Zoning Code provides that District 4 includes:

(1) Churches, including accessory rectories, auditoriums and convents.

(6) Uses and buildings accessory to [such churches], including single-family dwellings and private garages for the sole use of the owner and his or its officers, members of their families or employees, . . .

The Church uses both properties for church and accessory purposes within the meaning of District 4. Currently, the Church's youth pastor and his family reside at 816. The Church's building manager and his son live at 820. Previously, associate pastors have lived at both properties.

The properties are not used solely as residences. The Church Walk - a walkway from Glen Avenue to the back entrance of the Church - runs along the west side of 816. The Church Walk is used by Church members and visitors as a short cut from Glen Avenue to the Church. The playground for the Church daycare and preschool extends into the backyards of both 816 and 820. Youth events are held in the back yard of 816. In the past, when 816 was not used as a residence, it was used as an Annex where Church meetings and events were held. Church equipment has been and is stored on both properties.

The Church does not desire or intend to use 816 or 820 in ways that would disrupt or upset our Glen Avenue neighbors. We have designed our playground to minimize its impact on adjoining properties and supported a variance for another neighbor to build a garage on our lot line. The Church Walk and connecting walkway to Danbury Road along the south side of the Church are used by Glen Avenue residents as a short cut to and from Danbury Road and Silver Spring Drive.

Rezoning the properties as District 4 will more accurately reflect the actual usage of the properties and give the Church the flexibility to use them as needed for residential and other Church-related needs while not disrupting the Glen Avenue neighborhood.

We respectfully ask you to approve our rezoning petition.
