THE COUNCIL OF STATE GOVERNMENTS

In Remembrance

Arizona Representative Frank Pratt passed away in late September of this year at the age of 79. Representing the constituents of District 8, Representative Pratt began serving in the state legislature in 2009. During his tenure, he served in both the House and the Senate where he applied his efforts to the benefit of his community.

With family roots stretching back to the 1800's, Representative Pratt had a passion for his state. Prior to joining the legislature, he was a farmer, rancher, and business owner. Known as a man of few words, his integrity and deeply held convictions provided a foundation for his work to improve the lives of his fellow citizens.

Representative Pratt was an alumnus of the CSG West Western Legislative Academy and engaged over the years in the organization's Border Legislative Conference, which brings together policymakers from across the U.S. – Mexico border region. The CSG West family extends their deepest sympathy to the family, friends, and colleagues of Representative Pratt. His dedication to public service and genuine nature will be missed by many.
