THE COUNCIL OF STATE GOVERNMENTS

---

## CSG West In Remembrance

Hawai'i Senator Breene Harimoto passed away on June 18, 2020 after a lengthy battle with pancreatic cancer. A lifelong resident of his district, he was elected to the State Senate in 2014. Prior to joining the legislature, Senator Harimoto served four years on the Honolulu City Council.

During his years in the Senate, Senator Harimoto served as the vice chair of the Transportation Committee, as a member of the Public Safety, Intergovernmental and Military Affairs Committee, as well as the Ways and Means Committee. Additionally, he was the Senate's representative and chair of the Oahu Metropolitan Planning Organization Policy Board. A dedicated statesman, Senator Harimoto served his constituents by listening to all sides of an issue before tenaciously advocating for his perspective.

The CSG West family extends their deepest sympathy to the family, friends, and colleagues of Senator Harimoto. His legacy of public service will surely be remembered by all.
