

## Montgomery County, MD Bar Foundation Pro Bono Program

# LEGAL ADVICE & REFERRALS ARE ONLY A PHONE CALL AWAY!

The Montgomery County Maryland Bar Foundation Pro Bono Program Legal Clinic is based on a free walk-in/no appointment model. Clients request brief and limited guidance about a specific legal issue and attorneys provide information and basic legal advice without any expectation of long-term representation.

Due to the impact of COVID-19, the in-person evening legal clinics continue to be postponed indefinitely. To meet the needs of the community, we will offer the Pro Bono Program as a FREE one-on-one telephone consultation with attorneys. This will ensure the health and safety of both client and attorney.

The ultimate goal is to remain client-focused. The exceptional quality of consultations by our attorneys will remain unchanged. Please follow the steps below:

### STEP 1:

Visit our website - [www.barmont.org](http://www.barmont.org) and click on the Community Resources Tab. Scroll down and click on the Pro Bono Program. Look for the link on the left side that says Legal Clinics and click. Fill out the form that is provided. You will then be contacted within 2 business days. Note that every attempt will be made to schedule as many clients as possible for phone consultations, but consults may be limited. Your scheduled appointment will be between the hours of 6:00pm and 9:00pm on Monday, Wednesday, or Thursday evening.

### STEP 2:

Email all documents and/or information relevant to your case to: [legalclinics@mcbfprobono.org](mailto:legalclinics@mcbfprobono.org). Put your last name in the subject line.

### STEP 3:

Please be ready to receive a phone call from an attorney during your scheduled time slot. When your consultation is completed with the attorney, you will be contacted by Pro Bono staff, the same evening, to provide a very brief satisfaction survey. As a grant funded program your input is extremely important.
