

“Capturing Kindness during Covid-19” Photo Contest

The Montgomery County Middle Eastern American Advisory Group (MEAAG) is pleased to announce the “Capturing Kindness during Covid-19” Photo Contest. Residents and employees of Montgomery County -- amateur photographers of all ages -- are eligible to submit. Images with acts or scenes of kindness during the novel coronavirus pandemic should somehow reflect the diverse Middle Eastern American community of the county. MEAAG members and families are not eligible to submit. First, second, and third place contestants will receive a monetary prize in an upcoming community celebration and their images will be displayed on public online and likely bricks-and-mortar locations. All submissions will be displayed on MEAAG’s Facebook and Instagram walls. Contact dtrent@civilstrategies.net with any questions and to submit your entry. Deadline for submission is no later than August 15, 2020. High-resolution .png or .jpeg file, or website link, is required. Please share widely and visit MEAAG on [Facebook](#), [Twitter](#), and [Instagram](#).
