

Help Welcome Migrants, *continued*

1. Volunteer! Staffing respite centers is a major priority. Spanish-speaking volunteers are especially helpful, but there's also a need for anyone with available time. Those who can commit to overnight shifts are welcome. If you wish to volunteer, feel free to sign up [here](#). Please do not share addresses to physical locations for everyone's safety.
2. We could also use medical professionals, ESL teachers, social workers, pastoral care and others. Please reach out if you can help in any of these areas.
3. We need resources. You can donate needed supplies from our [Amazon Wish List](#). You can also donate funds to help provide transportation for our friends who wish to reunite with family on our [GoFundMe](#) site.
4. We need housing. Do you have a basement apartment? A room that you are not using? Please reach out to us if you can provide this kind of assistance.

Thank you again for your generosity and compassion. For more information, please feel free to contact Tania Alfaro at Tania.Alfaro@montgomerycountymd.gov or Jessy Mejia Terry at jessy.mejiaterry@montgomerycountymd.gov.
