

# Wear Orange

## Disarm Hate Rally, Unity Walk & Block Party

Join Moms Demand Action for Gun Sense in America in Downtown Silver Spring, as we come together with many partner organizations, including Communities United Against Hate (CUAH) & Youth Creating Change (YCC), to recognize and give voice to neighbors disproportionately impacted by hate and gun violence, and show our love and solidarity.

We will **Wear Orange** to raise awareness and demonstrate there is a movement of Americans *committed* to Ending Gun Violence and Disarming Hate.
