

## Middle Eastern American Heritage Month (MEAHM) Celebration -- *continued*

Emcee Mojdeh Bahar led the program with lively commentary. Local Middle Eastern community businesses, artists and vendors exhibited their products. Music was performed by violinist Anahita Javadi, drummer Daf Shahrzad Marzban, and Circle of Love.

During the celebration, the MC Board of Elections Education staff presented and distributed voter education materials. Endless gratitude to the following local restaurants and stores that sponsored the event by providing delicious dishes: Lebanese Taverna, Middle Eastern Cuisine & Olive Lounge, Zam Zam Market, Z&Z – Manoushe Bakery, Tasman Bakery, Trade Winds Postal Service, and Yasaman Bakery.

Special thanks to MEAAG partners, the Muslim Community Center (MCC) and the American Muslim Senior Society (AMSS), for their participation in the event. This event would not have been possible without the generous donations of time, skill, and funds by MEAAG members and the Office of Community Partnerships.
