

## 2025 CFA Society Winnipeg Ethics Challenge Sponsorship Opportunities

On behalf of CFA Society Winnipeg and CFA Society Saskatchewan, we would like to invite your organization to be a sponsor of the 2025 CFA Society Winnipeg Ethics Challenge hosted by CFA Society Winnipeg. The event will be held Saturday, February 01, 2025.

### Competition Overview

The CFA Ethics Challenge embodies the mission of CFA Institute by promoting “the highest standards of ethics, education, and professional excellence.” The competition is designed to increase students’ awareness of the ethical dilemmas they may face as investment management professionals and to better prepare them for the workforce. Teams consisting of university students from business programs are given an ethics case to study and evaluate. Each team then presents its analysis and recommendations to a judging panel consisting of CFA charterholders. Following a Q&A period with each team, the judges select a winner. The winning team of this regional competition will advance to the CFA Societies Canada Ethics National Challenge to be held May 2025.

### Event Overview

CFA Society Winnipeg is hosting in collaboration with CFA Society Saskatchewan, university teams from Saskatchewan and Manitoba for the ethics competition and reception. This event provides the opportunity for our members to attend each team’s presentation.
