Local Businesses Offer Take-Out and Curbside Pick-Up

It is so important for all of us to continue to patronize and support our local stores and restaurants. Local social services organization Just Neighbors compiled this information highlighting local business's changes in procedures and special offerings.

Most of our local businesses are back open and shoppers are welcome. Masks are highly encouraged. However, if you are not comfortable going into a store, you will find that the smaller stores have plenty of fresh food, willing to accommodate special requests and will have your order ready and brought out to your car. Many places have become very creative during this difficult time.

Londonderry and South Londonderry Restaurants and Food Businesses
