

GEORGIA CENTER FOR DIABETES  
TRANSLATION RESEARCH

# RESEARCH SUMMIT

Join us for the GCDTR Research Summit presented by the Socio-ecological and Behavioral Science Core, bringing together pilot awardees, faculty, program leaders, and community partners for a day of shared learning and collaboration.

The **Summit features presentations** from new, current, and past pilot awardees, faculty spotlights, and a moderated panel discussion focused on advancing diabetes translation research from ideas to impact.

## AGENDA:
