

Dazed and Confused by Marijuana Laws and How They Affect your Workplace?

Attend Our Policy Workshop

WE CAN HELP!

Illinois will become a recreational marijuana state in January, 2020. This change in law is raising many questions about drug free workplace policies and employer/employee rights. This half-day policy writing workshop is meant for Chamber Members, business associates, safety managers, HR representatives and colleagues. Participants will learn how to write, update and enforce your drug-free workplace policies in a post-legalized state.
