

SCPL ANNOUNCEMENTS

Keeping you connected
Week of May 11, 2020

FROM THE DIRECTOR

Dear Library Patrons,

WE MISS YOU!

The Spencer County Public Library is committed to serving its patrons and the community in a safe manner. While there is nothing we'd like more than to see you back inside the library, time is needed to put safety measures in place to continue to limit the spread of COVID-19.

SCPL continues service while physical facilities are closed to the public. Through the library website and Facebook page, gain access to eResources, eBooks, downloadable audio, virtual programming and downloadable/ streaming video coming soon! Free Wi-Fi is available in each location's parking area. At this time, SCPL locations and returned materials are undergoing a thorough cleaning and sanitization. Safeguards are being installed to ensure the safety of SCPL staff and users.

The library began offering contact free curbside pickup of books and DVDs on Friday, May 1. We added document copy/ fax services and computer use by appointment on Thursday, May 7. These services are currently available by request.

SCPL will continue to navigate these unusual circumstances with everyone's safety and health in mind. We will continue making decisions for reopening and future services in collaboration with the SCPL Board of Trustees. Thank you for your continued patience and support.

Sincerely,
Sherri Risse
Director
