## 2022 Early Bird FAQs **midwest**

### **Q: What is the Early Bird Registration gift for 2022?**

**A:** Campers that sign up during our Early Bird Registration will receive this awesome Nageela puffer jacket mailed directly to their home address. We know you'll love it! Plus you will save up to \$500 off the camp tuition fee!

### **Q: How will you know what size jacket to order for my child?**

**A:** All campers choose a tshirt size as part of the application that is used in the summer when giving out summer camp tshirts. Campers that sign up during early bird will be emailed to confirm that they want that size puffer jacket as well, and can request a different size if they prefer.

### **Q: What is the financial incentive offered if I sign up now?**

**A:** Save up to \$500! Returning campers registering for a full session will save \$500 off camp tuition, new campers will receive a \$400 savings. Campers registering for a 2-week session will receive \$200 off. There is no financial savings for the SIT program, but campers who register now are guaranteed a spot and will receive the limited edition Nageela puffer jacket!

### **Q: What if I need additional financial assistance to afford camp for my family?**

**A:** If you need additional scholarship assistance for camp 2022 then now is definitely the time to register! All scholarships are awarded in addition to these savings. There are no better savings offered at any point later in the year. There is a more affordable deposit option for the full session for those that will be applying for scholarship. The scholarship form will be sent to you when the fund opens in the late Fall. Once a scholarship is awarded, parents have 2 weeks to accept the scholarship and work out a payment plan for the remaining balance or decline if the scholarship was insufficient and all funds deposited will be returned.

### **Q: What is the cancellation policy?**

**A:** Cancellations through March 15 will receive all funds returned minus a \$100 processing fee. After March 15 there are no refunds.

Camp Nageela Midwest is planning to operate our 2022 program following all necessary COVID-19 guidelines. In the event that our medical team agrees that an individual should not be in camp (due to pre-existing health conditions, travel restrictions, etc), a full refund will be issued.

*Please contact us with any questions. Please note that all early bird registrants that cancel will be charged an additional \$50 swag fee in addition to any cancellation and/or processing fee.*

### **Q: Do new campers that sign up now receive the puffer jacket?**

**A:** Yes. Registration opens on Monday, October 11 for all returning camper families. New camper families can register starting Wednesday, October 13. All campers that sign up during early bird (new and returning campers) will receive a Nageela puffer jacket.
