The little details that make a vacation memorable, to our guests and Owners Circle.

WELCOME DELIGHT®

A refreshing champagne or warm drink served with a smile to all our guests and Club members upon arrival to tell them: "We celebrate your arrival and were waiting for you".

EARLY BIRD BREAKFAST®

Early birds are often forgotten by many hotels, but not us. We know some wake up early eager to start a new day and adventure. That's why we offer a courtesy breakfast with coffee, warm drink and cupcakes 5am to 7 am daily.

**TEA TIME DELIGHT®** 

Enjoy an lovely variety of teas and treats, served English style mid-afternoon as an opportunity to meet new friends and interact with resort managers.

**SUNSET CORNER®** 

Experience exquisite Pocono Mountains sunsets as Bel Air creates small evening gatherings at the beach alongside Lake Harmony around a warm pit; or top of "Split Rock"—the astounding wonder created by nature. There, you'll share champagne and a light snack surrounded by spectacular views that change daily and with each season.

IN ROOM REFRESHING DELIGHT®
