

*Greetings from the Youth Mission Team in Sunset Gap, TN*

*I cannot tell you what an honor it has been to work with the Youth, Clara, Taylor and Richard this week. What a wonderful group of disciples! We have accomplished so much, worked hard, played hard, eaten great food and grown in our understanding of Doing the Word. Our verse for the week, James 1:22 will be the theme of our worship this week. The Youth and I, along with Tyler Crawford, will share what it means to be doers of the word, not merely hearers. God's bumper sticker is: "No one is remembered for what they just planned to do!" Hope you will join us in worship and in Sunday School for our exciting presentations.*

*Blessings,*

*Julie*
