

Dear Friends,

There are not enough ways to say thank you to the disciples at Nazareth who helped make Tuesday's Winter Presbytery Meeting such a beautiful event. I have received calls, emails and texts from numerous colleagues telling me that they have never experienced such hospitality at a Presbytery Meeting and how impressed they were with the special touches. From the daffodils to the "McLeod Uber" that delivered people to the door in the unexpected sleet to the number of volunteers on hand, the day held one blessing after another. I am humbled beyond words to be your pastor.

Blessings,

Julie

Things to remember

This Wednesday night will be our last study on Paul's letter to the Philippians. We will have a potluck dinner so please bring enough of your favorite dish to share. Dinner will be served at 5:30 with study at 6:00. Nursery is available and the youth will meet with DJ.

This is the last Sunday to bring canned goods and other non-perishables for the Middle Tyger Community Center. Please pick up a couple of extra items on your next trip to the grocery store and continue to help those in need.

Due to problems in scheduling with the Blood Connection, the Blood Drive has been moved to May. Watch for updates in future announcements.

Registration for the Annual Women's Retreat, to be held April 26 and 27, will start this Sunday. Members of the Committee will be on hand before Sunday School and after worship in the Fellowship Hall.

This is our Saturday to work at the Soup Kitchen. It was great to have so many new helpers last month and we hope you will join us again from 9-1.

IN OUR PRAYERS

- Lenny and Amelia Senn
- Dale Wright
- Amy Hatley
- Paul and Jane Harrington
- Leslie Stuermann
- Jennifer Hadden's friend, Bunnie
- Jenny Stidham's father, Ken Metze

The Mission of Nazareth Presbyterian Church is to worship and glorify God and to make disciples for Christ.
