## MISSION STATEMENT OF NAZARETH PRESBYTERIAN CHURCH

*To worship and glorify God and to make disciples for Christ.*

*Dear Nazareth Family,*

*One of the things that always excites me about Nazareth Presbyterian is our strong Missional Giving. This means our church's relationship with money and possessions is secondary to God's mission. Missional Giving is the practice of living in a way that prioritizes financial support for God's Kingdom. After meeting for over a year, the Legacy Partnership Team decided that we would rather be a church that focuses on "Generosity" rather than simply plans a one-a year "Stewardship Campaign." At our all-day retreat, the Session, including Elders elect, agreed to follow this recommendation to change our mindset from a church who practices stewardship to one who lives in generosity. To that end, you will be hearing a lot about "generosity" in the days, weeks and months ahead.*

*Generosity has to do with gratitude for God's abundance in many aspects of our lives. It has to do with joyous disciples thanking God by the way we live and the way we spend and share our gifts. The Session is in prayer for the Spirit to guide us all as we consider our own gratitude. We would also like to hear the stories from you—disciples at Nazareth church—about how you have experienced generosity from God, from the church and in other ways throughout your lifetime. God is calling us to be generous with our time, talents, treasures and influence. Throughout the year, you will be invited to share your stories with others at Nazareth.*

*However, the fact is that the church also operates on a budget. To that end, you will receive a letter in the coming week to ask you prayerfully to consider three questions.*

- 1. What is your first memory of generosity?*
- 2. Who taught you how to give?*
- 3. Why do you give to your church?*

*Then you will have the opportunity to make a financial commitment to the ministry of God in this place. You will hear more about this as we work through the process. I pray and trust that the Holy Spirit is working in your lives to bring forth ministry that honors and serves our Lord, Jesus Christ. I also pray that our church will continue to be a rich blessing to each of us and to all those whom we serve in God's name. Blessings, Julie*

- Session members to bring names of possible “Generosity Team” to November Session meeting.

# Christian Education

November not only brings shorter days and cool, crisp nights but it also brings with it the hustle and bustle of the holiday season. Thanksgiving starts off this season as families gather around the dinner table to feast on a traditional meal, while planning their Black Friday “attack.” But this holiday is more than that. According to Christianity.com, it sets the tone for the season.

“Thanksgiving is to glorify God as an act of worship, giving thanks for all things as part of God's providence.”

Allabouthistory.org gives a beautiful definition of Thanksgiving as primarily about relationships.

“The true meaning of Thanksgiving focuses upon a relationship. Thanksgiving is a relationship between God and man. Upon their arrival at New Plymouth, the Pilgrims composed The Mayflower Compact, which honored God. Thanksgiving begins with acknowledging God as faithful, earnestly giving Him thanks, in advance, for His abundant blessings.”

***“Oh give thanks to the Lord, for he is good, for his steadfast love endures forever! “***  
***Psalm 107:1***

## HISTORY ~~ HEROES in NAZARETH CEMETERY

**Alexander Vernon**, one of the founders of Nazareth Church had a daughter, Nancy, who fell in love with a young man named Michael Miller, who had started out as a soldier in the British Army in the American Revolution. Michael was also in love with Nancy, and soon deserted from the British Army and joined the Continental Army of America. Alexander, Nancy Vernon's father, wanted to be sure of Michael Miller's intentions, so he saddled his horse and rode all the way to Maryland to enquire into the young man's background. He must have met the "Vernon" requirements because Michael and Nancy were married and raised a large and influential family.

**Sarah Breaken**, daughter of William Anderson and Rebecca, lived in Charleston, SC during her married life. She once entertained George Washington in her home. After her husband's death, she came to live with her nephew, James Mason (Tyger Jim) Anderson and taught the young ladies of the surrounding area how to sew. It was told that once in Charleston, when the British Soldiers were molding bullets and were using her water bucket as a receptacle to cool the hot lead, that Sarah discovered what they were doing and threw the bullets out saying, "No British bullets would go in my bucket!"

**Billy West** was a celebrated Revolutionary War Soldier. Billy was a drummer who loved his drum. He was captured in a fracas, but to keep the British from using his drum, he cut holes in both ends. After he escaped, he replaced the heads with sheep skins. The rock wall around Nazareth Cemetery was built by Billy's son, Bobby West. Billy West is buried at Friendship Baptist Church in Walnut Grove, S.C.
