

Dear Friends,

Until Pentecost Sunday, we will be living in the season of Easter. Of course, as Christians we are always to think of ourselves as Easter people, but I am glad that the day filled with lilies, beautiful music (is our choir fantastic, or what?) and LOTS of people lasts officially more than one day.

As we move through this season, we have so much to be thankful for. Upcoming plans for graduations, summer vacations, warmer weather, and more. At church, we will once again have Bible study on Wednesday nights during May, beginning May 1. Dinner is at 5:30 and study at 6:00. To kick this month off, Sarah Wallace from the National Alliance for the Mentally Ill will be our guest speaker. Each subsequent week, we will study passages that pertain to this topic. Our God is a God of hope and this is an effort for all of us to understand more about mental illness so that we, in the church, can be better disciples.

I will leave for Montreat after worship this Sunday for a few days of study leave and will return in time for the program on Wednesday. I hope to see you all there. Please read John 20:19-23 in preparation for Sunday morning.

Blessings,
Julie

Things to remember

All who are attending the Women's Retreat at Camp Fellowship, please remember to bring a purse filled with personal items for our service project. See your April "Meeting House News" for details. 

Please sign up in the Fellowship Hall if you plan to eat dinner on Wed. night, May 1.

This is our Saturday to work at the Soup Kitchen from 9-1.
