

*Dear Friends,*

*Since our Youth are going to be involved with serving different urban missions in Charlotte this week, I originally thought I would preach about discipleship. However, in Greek, "disciple" simply means "learner" and that is what all of us are, I hope! Therefore, this Sunday's sermon will be "Bearing the Fruit of Service." I am so proud of our youth and leaders who will be serving God and God's children in the coming week. We will be commissioning those serving during worship on Sunday. As you read 1 Peter 4:8-10 to prepare for worship, consider the ways that YOU might serve God's kingdom.*

*Blessings,*

*Julie*
